Our dearest friends,

How grateful we are for each and every one of you who stand with us as we reach out with God's compassionate love! It is our joy once again to share a few things that have been happening in the ministry.

Siliguri School

In June, our schools and children homes have started a new academic year. By the grace of God, all went well and we are off to a great start. Most of the renovations and repairs were done in time and the others will be finished soon. Thank you to all of you who contributed to those projects.

Rock Church Nizampet

In August we had a wonderful time of celebration as we dedicated 2 new church buildings and extensions. We are thrilled as we see the growth numerically, spiritually and in expansion of facilities.

NGL Seminar

In Manna we are proactive about raising the next generation of leaders through education of our children to rise up in various fields. We also are raising up the next generation of spiritual leaders in our ministry to be ready to lead in the future.

To this extent, we hold Next Generation Leadership seminars, which include present leaders and those who show great promise for tomorrow. Our founders impart the vision of the ministry; we equip and instruct them but also challenge them to grow in character and integrity before God and man. We just had our recent seminar and the results were great! Please pray for them, as they will ensure the continuation of the vision and ministry.

Next Generation Leadership

Naresh

Suresh

I would like to share a story about Naresh and Suresh. Their father brought these young boys to our children home when they were just 4 and 3 years old. Their mother had committed suicide and father had multiple health and emotional issues. A few months later their father died. As tragic as their beginning was, love and hope took the place of despair. Today they are in 10<sup>th</sup> and 8<sup>th</sup> grade, healthy and happy. They dream someday of becoming a computer and a mechanical engineer. This is compassionate love in action and this is where you are making a difference by giving hope and life to children's dreams!

Our dear friends, we are so grateful to you for your sacrificial giving that helps us go on making a difference in the lives of people; one child, one person at a time. This past summer season was very difficult for us financially and we humbly ask that you make a special gift to the ministry at this time. We truly appreciate you!

On behalf of Dr. Ernest and Rachel Komanapalli & Manna Group of Ministries,  
Sincerely yours,

Sudarshan Jyoti Komanapalli
