## *Our Dearest Friends,*

Season's greetings to you!

As we come to the end of another year, we look back with awe at the privilege we have had to reach out with God's compassionate love. We have seen many breakthroughs as well as suffered through a few setbacks but God has seen us through them all. Your prayers and support have encouraged us to keep moving forward.

Coming up on 50 years ago, the first children to be taken care came through the door. Since then, it has been our heart to reach out the "least of these" and give them a future. Presently, we continue this ministry through taking care of 3500 children in our children homes and family care programs. We feed, clothe, educate, shelter orphan, poor and needy children while giving them hope and a chance to dream. Your help not only brings a child hope but also brings change to the future generations.

Education is the key to escaping poverty which not only brings knowledge and skills but within a loving framework helps to navigate the journey of life. Our schools strive to bring that to those who have no chance of a quality education and for those for whom it may be out of reach. We thank God that our schools are doing well graduating and placing students for future studies and vocations.

Health is another key component to escape the stronghold of poverty. We at Manna bring healing through our medical outreaches, hospital and clinics. We reach out to those ostracized by society because of disease such as leprosy and HIV status. We teach hygiene and preventive measures to youth and adults and also bring the great life changing gift of clean drinking water. Thank you to all of you who help in this great outreach!

I would like to information on sponsoring a child.

In a season of persecution, our ministry moves forward to bring the life-changing message of hope through Jesus Christ. We are grateful for the opportunity to establish churches, train up the next generation of leaders, encourage and mobilize the youth to live lives of passionate faith, hope and love. We have seen many open doors in India and overseas. I am so amazed to see our Manna family with adversity blowing against them, stand firm and then move forward faithful in their call to make a difference. We at Manna make sure everyone gets a chance at life, an abundant life and eternal life.

Each and every one of you is an integral part of our call and ministry. With your encouragement, support and prayer we confidently keep going. The stories of lives changed and transformed happen because of you. Together we are making a difference.

On behalf of Dr. Ernest & Rachel Komanapalli and the Manna family,
