Summer 2018

Dear Friends,

The summer heat is slowly fading, the rains have started in India, schools have reopened and we go forward with the work God has entrusted to us. The children in the homes and schools did well in their exams, enjoyed their summer holidays with special activities of visits, field trips, play and VBS and are now back in school.

The past months have been ones of evangelizing, establishing, renovating, rebuilding all while continuously bringing God's compassionate love to the world.

With your help and prayers, we have brought the word of hope to thousands upon thousands; we have built new facilities for the children, renovated existing ones and started work on new campuses where we presently rent. We have dug wells, put in clean drinking water systems, repaired and built new bathrooms and toilets, bought new mattresses and done our best to meet new government requirements for children's facilities such as campus walls, partitions of sections for various ages and sexes, new equipment for play and study.

Please pray for us as intolerance to the Christian community and outreach is on the increase in India. Recently we have had to rebuild campus walls at one of our homes where they came at night and tried to occupy part of our campus. The Pastor stood strong and rebuilt the wall. We have had services in churches disrupted and Pastors threatened. Please pray for the safety of our Pastors, children, church families and community and that the small minority who choose to be intolerant and violent will be disarmed and changed by the love of Christ.

Our friends and partners in ministry, we keep moving forward because you stand with us. Your prayers and faithful support of the work helps us to make a difference in the lives of men, women and children for generations to come. Your help brings a kind word or act of love, which can change circumstance and outlook and bring opportunity and hope.

On behalf of Dr. Ernest and Rachel Komanapalli & Manna Group of Ministries,
Sincerely yours,

Sudarshan Jyoti Komanapalli
