Dear Friends,

As we enter into the season of Thanksgiving and Harvest all over the world, we at Manna are truly grateful to God for each and every one of you. You joining your hands in prayer, your hands stretched out with your shared resource and your hand in ours as we stand together have made a difference!

Just a few days ago, our founder Bishop Ernest P. Komanapalli had the joy of dedicating the new extension of Miriam High School in Siliguri as well as the new sanctuary of worship for Manna Church in Siliguri.

Miriam School in Khelbari, Siliguri though started just a few years ago has risen in strength to 580 students. Our school has had the distinction of receiving many scholastic awards in its district. This has brought a great name to the school and our enrollment is limited only to classroom space. Through the generosity of our friends in business, church and individuals in Sweden, this school building was built, as was the new 3<sup>rd</sup> floor extension. This school is the embodiment of our mission to give the keys to escape poverty and to see each and every child rise above it. We do this by providing a quality education that can be accessed

by those who are often marginalized and forgotten.

Tamila was born into a Christian family from Manipur that had migrated to the Siliguri area for work. Her father passed away in a bus accident before she turned 5 years old. Her mother works as daily labor in the fields and could not support the family. She was brought to our children home and has grown up so beautifully. This year she won the silver medal in the district for scholastic achievement along with her classmate who won the gold. She is soon to turn 17 years old, and dreams of becoming a fashion designer and singer.

Her story is compassionate love in action. Thank you for turning love into action that makes a difference!

On behalf of Dr. Ernest and Rachel Komanapalli & Manna Group of Ministries,  
Sincerely yours,
